The screenshot shows a mobile registration form titled "Register". It is divided into three sections: "Library Information", "OneClickdigital Account Information", and "Personal Information". Each section contains a text input field with a red asterisk indicating it is required. The "Library Information" section has a "Library Card*" field. The "OneClickdigital Account Information" section has "Username*", "Password*", and "Confirm Password*" fields. The "Personal Information" section has "First Name*", "Last Name*", "Email Address*", and "Confirm Email Address*" fields. Each field has a small circular icon to its left, likely for clearing the field. The form is presented in a clean, white interface with grey headers for each section.
